

November 4, 2021

**Subject Line: 2022 Plan and Benefit Changes**

Dear Prevea360 Health Plan Provider,

To keep you informed of changes that affect your patients, we have compiled information summarizing some key plan and benefit changes for the upcoming year.

To confirm a member's coverage eligibility, please use our real-time resources for the most up-to-date information. Current member eligibility information as well as real-time details about a member's cost share, copay, deductible, and coinsurance amounts may be obtained from the following:

- 270/271 Eligibility and Benefit Inquiry and Response transaction
- Eligibility application in the Prevea360 Health Plan Provider Portal

If you have questions about a member's eligibility and coverage, please call our Customer Care Center at:

- 877-230-7555 for Commercial and ACA Individual plans.
- 877-232-7566 for Medicare Advantage plans.

If you have questions about the 2022 information, refer to benefit plan information available on our website at [prevea360.com](http://prevea360.com). If you have further questions, please contact the Provider Network Consultant for your specialty as listed at the bottom of the [Prevea360 Health Plan For Providers web page](#). If the specialty does not have a designated Provider Network Consultant, please contact the Provider Network Consultant listed for your county.

We thank you for your incredible work each and every day in serving our members. We look forward to supporting you in 2022.

Sincerely,

Katie Luther  
Director – Provider Network Administration  
Prevea360 Health Plan

# 2022 PLAN AND BENEFIT CHANGES

## Prevea360 Health Plan ACA and Medicare Advantage Product Expansion in Chippewa and Eau Claire Counties

For coverage effective January 1, 2022, Prevea360 Medicare Advantage Plans from Dean Health Plan and Prevea360 Health Plan Affordable Care Act (ACA) Individual Plans will be available in Chippewa and Eau Claire counties. This expansion is in addition to our existing Prevea360 Health Plan Medicare Advantage plan offerings in the following counties:

- Brown
- Door
- Kewaunee
- Oconto
- Sheboygan

And, in addition to our existing Prevea360 Health Plan ACA plan offerings in the following counties:

- Barron
- Brown
- Buffalo
- Calumet
- Door
- Dunn
- Kewaunee
- Manitowoc
- Marinette
- Menominee
- Oconto
- Outagamie
- Pepin
- Shawano
- Sheboygan

## Palliative Care Benefit

To improve access to palliative care services for those living with serious illness, earlier this year Prevea360 Health Plan removed member copay for ambulatory palliative care provider visits. Effective January 1, 2022, the palliative care benefit will include home nurse and social worker visits with the following provisions:

- Palliative care team may include doctors, licensed skilled nurses, and licensed medical social workers with services coordinated by a palliative care provider.
- Services must be medically necessary.
- Prior authorization will be required for in-home palliative care services.
- Outpatient visits with palliative care providers are covered.
- There will be no frequency limitation on quantity of visits.

The palliative care benefit will not cover custodial care or any service that is not required to be provided by a skilled/licensed provider. It also does not cover services provided by volunteers, residential care, housekeeping or homemaking services.

The palliative care benefit is applicable to all Prevea360 Health Plan products, except for Aon Active Health Exchange, Federal Employees Health Benefit (FEHB) and State of Wisconsin Employee Trust Fund (ETF). Health Savings Account (HSA) eligible high deductible health and Individual ACA Catastrophic plan types are excluded from this benefit. It is available to employer groups at their discretion. Please contact the Customer Care Center at 877-234-4516 to obtain current information for a specific employer group.

## Medicare Advantage for 2022

Dean Medicare Advantage plans earned an exceptional 5 out of 5 Stars for 2022 from the Centers for Medicare & Medicaid Services. Dean Advantage and Prevea360 Medicare Advantage are both Dean Health Plan Medicare Advantage products underwritten by Dean Health Plan.

All our [Medicare Advantage plans](#) offer [no-cost extras and supplemental benefits](#), such as in-home and virtual support, transportation, over-the-counter allowances, post-discharge meals, vision and hearing benefits, comprehensive dental benefits through Delta Dental, wellness rewards, gym memberships, and home fitness kits.

Additionally, our plan offerings are unique so members can choose the one that best fits their needs, including an option without prescription drug (Part D) coverage, the Harmony Plan. This is a great plan option for those who already have prescription drug coverage through another source.

The Medicare Advantage Provider Manual is updated for 2022 plan offerings and accessible from the “See provider manuals” link at [prevea360.com/providers](https://prevea360.com/providers).

## Medicare Advantage Part B Update

In 2021, covered Part B drugs are available at 20% coinsurance for Medicare Advantage members. New for 2022, a subset of Part B drugs that may, for some treatment indications, be covered under Part D will have a copay between \$0 – \$47 when received through a retail pharmacy. Member copay will match the member's Part D benefit for those members enrolled in a Medicare Advantage plan with Part D coverage. Intravenous, subcutaneous, and biological covered Part B drugs will continue to be available in 2022 at 20% coinsurance when administered at home or in a physician's office.

## Medicare Advantage Preferred Pharmacy Network

The 2022 Medicare Advantage preferred pharmacy network will include Walgreens, Walmart, Costco, and SSM Pharmacies. CVS will no longer be part of the preferred network but will be part of the standard network.

## Medicare Advantage 2022 Formulary

The Prevea360 Medicare Advantage plans provide comprehensive prescription drug coverage. Our drug formulary covers a wide-ranging list of generic, brand name, and specialty drugs. The Prevea360 Health Plan 2022 Formulary is available on the [Prevea360 Medicare Advantage Formulary web page](#).

The 2022 formulary includes updates to coverage of the drugs listed below. This is not an exhaustive list. Providers are encouraged to review the formulary in its entirety to assess any updates that may affect their patients in 2022. Additionally, please refer to the Find a drug list/pharmacy section on the [Prevea360 Medicare Advantage Members web page](#) for more prescription drug information for Medicare Advantage.

Not Covered in 2022	Alternative Covered in 2022

XTAMPZA® ER	morphine, codeine, methadone, fentanyl, tramadol, oxycodone IR, and oxycodone/acetaminophen
WIXELA® INHUB/fluticasone/salmeterol inhaler	Advair®

## Physical Therapy and Occupational Therapy Prior Authorizations End Dated

As a reminder, authorizations for physical therapy and occupational therapy are end-dated on December 31, 2021. To facilitate continuity of care for your patients, a new authorization request will need to be submitted to National Imaging Associates (NIA)/Magellan if continued services are needed on and after January 1, 2022.

## Member Wellness

Prevea360 Health Plan offers a variety of wellness resources for members. Please refer to our [Health & wellness web page](#) as a resource for information about programs and events designed to support good health and well-being, including behavioral health support, educational podcasts, the Living Health Portal, nicotine cessation, and much more. Please note that wellness rewards and programs may vary by plan.

## Preventive Care and Screenings

Prevea360 Health Plan reviews preventive care and screening policies based on U.S. Preventive Services Task Force recommendations. Updates to Health Plan policies as a result of U.S. PSTF recommendations are published in our quarterly Provider News. Providers are encouraged to stay informed of these updates when talking to their patients about their preventive care options. In addition to our newsletter, please refer to our [Preventive Care web page](#) for more information about preventive care services.

## Coronavirus (COVID-19) Web Pages

In addition to our [COVID-19 provider information web page](#), Prevea360 Health Plan also offers a [COVID-19 web page specifically for members](#). As a community health plan, Prevea360 Health Plan continues working to limit the spread of the virus and promote access to testing, vaccinations, and medically necessary treatment. Refer your patients to this page for CDC recommendations, vaccine information, testing and treatment updates, and more.
