Dean Health Plan

Step B Therapy Criteria

Step Therapy: In some cases, Dean Health Plan requires you to first try certain drugs to treat your medical condition before we will cover another drug for that condition. For example, if Drug A and Drug B both treat your medical condition Dean Health Plan may not cover Drug B unless you try Drug A first. If Drug A does not work for you, Dean Health Plan will then cover Drug B.

**PLEASE READ:
THIS DOCUMENT CONTAINS INFORMATION ABOUT OUR STEP THERAPY CRITERIA.**

Dean Health Plan, Inc. is an HMO/HMO-POS plan with a Medicare contract. Enrollment in Dean Health Plan, Inc. depends on contract renewal. Dean Health Plan markets under the names Dean Advantage and Prevea360 Medicare Advantage.
