Important Questions	Answers	Why This Matters:
What is the overall deductible?	$1,650 Individual/$3,300 Family Combined medical and prescription drug deductible	If you have other family members on the policy, the overall family deductible must be met before the plan begins to pay. Deductible exceptions include office visit copays and for federally required preventive services. The deductible starts over with each plan year beginning on January 1st.
Are there services covered before you meet your deductible?	Yes. Preventive care and primary care services are covered before you meet your deductible.	This plan covers some items and services even if you haven't yet met the deductible amount. But a copayment or coinsurance may apply. For example, this plan covers certain preventive services without cost-sharing and before you meet your deductible. See a list of covered preventive services at https://www.healthcare.gov/coverage/preventive-care-benefits/
Are there other deductibles for specific services?	No	You don't have to meet deductibles for specific services.
What is the out-of-pocket limit for this plan?	Combined medical and prescription drug out-of-pocket limit of $2,500 Individual/ $5,000 Family	Families must meet full family out-of-pocket limit before your plan pays. The out-of-pocket limit is the most you could pay during a coverage period (usually one year) for your share of the cost of covered services. This limit helps you plan for health care expenses. The federal maximum out-of-pocket is $9,200 individual/$18,400 family. This applies to all essential health benefits, including some services not included in the out-of-pocket limit. (i.e. certain level 3 & 4 prescription drugs and adult hearing aids covered under this plan).
What is not included in the out-of-pocket limit?	Premiums and health care this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a network provider?	Yes. See https://www.prevea360.com/Find-A-Doctor or call 1 (877) 230-7555 (TTY: 711) for a list of network providers.	This plan uses a provider network. You will pay less if you use a provider in the plan's network. You will pay the most if you use an out-of-network provider, and you might receive a bill from a provider for the difference between the provider's charge and what your plan pays (balance billing). Be aware, your network provider might use an out-of-network provider for some services (such as lab work). Check with your provider before you get services

Do you need a referral to see a specialist?	No	You can see the specialist you choose without a referral. However, it is recommended you get a referral to an orthopedist or neurosurgeon for low back pain.

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.
